Overview
MDS 3.0 is a critical nursing facility assessment tool that can directly impact resident quality of care, survey outcomes, your publicly posted quality measures and your reimbursement. Make sure you and your staff know how to complete the MDS 3.0 accurately the first time!

This two-day course is the most comprehensive MDS 3.0 training offered in Oregon, and the only class that presents the provider’s perspective on this key assessment tool.

In this training, participants will review:
- All sections of the MDS 3.0 and rules pertaining to each
- The Care Area Assessment (CAA) Process
- The PPS schedule
- How the MDS is used in the survey process

Important: This class is designed for staff who seek a thorough review of the MDS 3.0, whether they are veteran staff or newcomers. Class size is limited to first 30 registrants.

Participants will receive:
- List of procedures for completing the MDS and CATs
- Guidelines for documenting CAAs
- Examples of completed CAAs
- Regulations pertaining to the MDS

Important: Bring MDS 3.0 manual
Participants must bring with them to class at least Chapter 3 and the appendices from the MDS 3.0 manual, although a full version of the manual is preferred. The manual may be downloaded from the CMS website.
